How to Book a Trip with NORD EXTREME HIMALAYA Pvt. Ltd.

Booking a trip with NORD EXTREME HIMALAYA Pvt. Ltd. is a smooth and personalized process designed to make your Himalayan adventure as stress-free and enjoyable as possible. Whether you are planning your first trek or are a seasoned traveler seeking your next high-altitude thrill, our step-by-step guide below walks you through every stage of the journey—from selecting a trip to preparing for departure.

1. Select Your Trip

The first step in booking your trip is choosing the adventure that's right for you. Begin by browsing our website, where you'll find detailed descriptions of all our available treks, tours, and expeditions. Each trip includes essential information such as duration, difficulty level, itinerary, altitude range, and what to expect in terms of accommodations, meals, and terrain.

If you're unsure which trek best fits your interests, physical fitness level, or travel dates, don't hesitate to contact us. Our experienced team is more than happy to guide you through the options and help you make a choice that aligns with your goals—whether that's summiting a peak, exploring remote villages, or experiencing the spiritual side of the Himalayas.

2. Submit a Booking Request

Once you've chosen your desired trip, the next step is to officially express your interest by submitting a booking request. You can do this in two ways:

- Online Booking Form: Visit our website and fill out the booking form. You'll be asked to provide your personal details (such as your name, contact information, and nationality), the name of your selected trip, preferred start date, and any additional requirements (such as dietary preferences or equipment needs).
- Email Inquiry: If you prefer a more personal touch or have custom requests, feel free to email us with all the relevant information. This is a great option if you're traveling as a group, need help arranging private departures, or want to tailor an itinerary.

3. Confirmation & Payment

After we receive your booking request, our team will promptly review it and confirm the availability of your chosen trip on your preferred dates. Once your booking is confirmed, we will send you detailed instructions for making your advance payment.

An advance deposit is required to secure your spot. This payment ensures your inclusion in the trip, allows us to make necessary preparations (such as acquiring permits and arranging guides), and provides a commitment from both parties. Payment can be made via bank transfer or other methods,

which will be clearly outlined in our email confirmation.

If you have any questions regarding payment, currency exchange, or refunds and cancellations, we encourage you to ask—we are always transparent and ready to assist.

4. Send Your Documents

To ensure a smooth and legally compliant travel experience, we require certain documents once your advance payment has been made:

- Copy of Your Passport: Your passport must be valid for at least six months beyond your intended departure date.
- Proof of Travel Insurance: Comprehensive travel insurance that covers trekking activities and potential high-altitude rescue is mandatory. Please send us a copy of your insurance policy.
- Other Required Documents: Depending on your chosen destination or activity, additional paperwork may be needed (e.g., health declarations or special permits). We will let you know exactly what to send.

Having your documents in order ahead of time allows us to begin preparing permits and reservations, and helps us support you in case of emergencies.

5. Prepare for Your Trip

After confirming your booking and receiving your documents, we'll send you all the essential information you need to prepare for your trip. This includes:

- Detailed Itinerary: A day-by-day breakdown of your journey, including start times, highlights, and accommodations.
- Packing List: A comprehensive list of clothing, equipment, and gear tailored to your specific trek and the expected weather conditions.
- Travel Tips: Helpful advice on visas, currency, altitude sickness prevention, cultural norms, and transportation in Nepal.

Our team is also available to answer any additional questions you may have—whether it's about physical training, vaccinations, or gear rental options in Kathmandu.

6. Arrival in Kathmandu & Final Payment

When you arrive in Kathmandu, our team will greet you at the airport (if included in your package) or welcome you to our local office. At this point, you'll be asked to settle the remaining balance of your trip cost. Payments can be made in cash (USD, EUR, or NPR) or by bank card, depending on your preference.

Before your departure, we'll hold a pre-trip briefing where you will:

- Meet your guide and fellow trekkers (if it's a group departure)
- Go over the final itinerary and safety protocols
- Receive any last-minute gear or permits
- Clarify any remaining questions

This briefing is your chance to feel fully prepared and confident before you set off into the mountains.
